shape our future...
work with us

On behalf of our regional community

Water Task Team - planning for a better future

says thank you

to our current members for the work you have done already to make this an even more vibrant and sustainable region

there is more to do...

- > Join us
- > Work with us
- > Contribute to our planning
- > Give input about issues that matter to you
- > Work as part of a Task Team on a project that tackles key issues

your community will *thank you*
