Outstanding speakers for Committee dinners

Leading economist Saul Eslake and chair of Victoria's Bushfire Recovery and Reconstruction Authority Christine Nixon have been confirmed as speakers at the next two Committee for Ballarat Round Table Dinners.

Mr Eslake, chief economist with the ANZ Bank, will speak at the September 15 Round Table Dinner and Ms Nixon, who is also the former Chief Commission of Victoria police, will speak at the dinner on December 10.

CEO of the Committee for Ballarat, Doug Lloyd, said securing a further two such high profile speakers was confirmation of the status of the Committee and the value of its Round Table Dinners.
